Subject: Questions for story related to Dimock water supply

Hi Shawn,

I'm working on a story related to the Nov. 30<sup>th</sup> cutoff of water being supplied to residents of Dimock PA and was told that the EPA is expected to be weighing in on this matter. I also noticed that you were copied on a letter from the NRDC to Secretary Krancer, so I am contacting you to see if indeed EPA is becoming involved in this matter, and if so, what is being done at this point.

I can be reached at the number below, or by response to this email. My deadline is tomorrow (Tuesday) morning.

Thanks for your assistance.  
Sandy Long
